

Postgraduate Health & Social

Postgraduate Certificate in Nursing

📖	Level 8
🕒	1 year, full-time
📅	20 Jan 2025 (Distance)
💰	\$5,020 (indicative for 2023 intake)
🌐	\$28,000* (indicative for 2023 intake)

This clinically focussed programme is designed for registered nurses choosing to focus on extending their knowledge on Nursing or Mental Health and Addiction. Credits may be gained towards Master's study.

Programme outline

The Postgraduate Certificate in Nursing takes a registered nurse's existing knowledge and experience and builds on it in a learning environment that ensures the supported acquisition of knowledge and skills. Students attend theory blocks and/or tutorials at the Porirua campus, or in their workplace environments.

More detail about this qualification

Mental Health and Addiction Strand (including change of scope of practice)

This programme is offered to registered nurses in their first year of practice in mental health and addiction settings or registered nurses wanting to change their scope of practice to include mental health nursing. Te Pou funding is available for nurses employed in a Ministry of Health-funded mental health service for a minimum of 0.7 FTE per week.

HSC8316: Contemporary Mental Health and Addiction Nursing (60 credits)

In this course you will explore the philosophical and theoretical underpinnings of contemporary mental health and addictions practice within New Zealand, as well as exploring the socio-political and professional issues influencing mental health and addiction, and how these issues relate to clinical practice.

HCS8326: Professional Practice in Mental Health and Addiction Nursing (60 credits)

This course will provide you with supported entry into

specialty mental health and addiction nursing, through the development of confidence and competence within the professional practice setting.
